Subject: Thanks for the scholarship

Dear Sir,

I truly express my sincerest thanks for awarding me a scholarship worth \$5000 per month. I am obliged for the same. This amount is helpful for me to complete my Ph.D. research in Argentina.

I assure you that I will study harder and will make your organization feel proud of their decision. It's all because of your recognition that I have got closer to my goal.

I once again thank you for your generosity, and it would be a pleasure for me if I could be an addition to your institution's name and success. I do hope sincerely and pray for the same.

Yours sincerely,

Peter Dsouza
