Sub: Sincere thanks for your donation

Dear Mr. Johnson,

You have my most sincere gratitude on behalf of the Enlightening Minds foundation for donating \$50000. It has proved to be of great help in building a school for underprivileged children and providing them with the necessary amenities.

We truly appreciate your generosity in helping these children. Our organization is achieving its goal of educating the disenfranchised through contributions from people like you.

Once again, I would like to thank you wholeheartedly for making our mission a success. We hope that you will continue supporting our foundation in the future as well.

Yours sincerely,

Catherine D'Souza

Chairman
