Subject: Business Proposal

About the meeting on 13th January 2017, Please find enclosed the details as requested.

We are the leading setup in the country for skincare. LOS Laser Spa, today boasts of the only set up in India, which is an entirely doctor driven setup. LOS is successfully running the Dermatology department at Artemis Hospital, Gurgaon, and LOS Laser Spa, Sushant Lok, under its brand name in Gurgaon. I also work as a senior consultant at Medanta – The Medicity Hospital, Gurgaon. I host all the modern machinery and equipment that exist in the field of Dermatology and Cosmetology, with expert guidance and practice.

We request you to kindly allow us to blossom under your guidance by setting up India's highly specialized Skincare center at Smart City Hospital, Delhi.

I am seeking an opportunity under your guidance to set up one of India's highly specialized Skincare center. We will ensure that Doctors are available in case of emergency calls.

Fos will provide specialized services in the field of Cosmetology & dermatology services through its expert team of medical professionals including consultations, giving range of most effective and advanced chemical peels, laser hair reduction, photo rejuvenation, fractional laser, CO2 laser, radiofrequency cautery, cryotherapy, microdermabrasion, skin tightening, botox and fillers.

Looking forward to hearing from you back.

Thanking You,

Sincerely,

Dr. Ajit Singh
